Assisting with Eyeglasses, Hearing Aids, and Dentures

Helping the patient with their eyeglasses, hearing aids, and dentures can improve their comfort and quality of life.

Eyeglasses:

- **Clean the Glasses:** Wipe the eyeglass lenses with a soft cloth to remove smudges or dirt. Make sure the frames are intact and fit well.
- **Help Place the Glasses:** Gently help the patient put on their glasses, ensuring they are seated comfortably on their nose and ears.

Hearing Aids:

- **Clean the Hearing Aids:** Wipe the hearing aids with a soft cloth, and remove any earwax buildup.
- **Insert the Hearing Aids:** Place the hearing aids in the patient's ears, making sure they are secure and comfortable.

Dentures:

- **Clean the Dentures:** Remove the dentures and brush them with a denture brush and mild soap or denture cleaner. Rinse thoroughly.
- **Insert the Dentures:** After cleaning the patient's mouth, insert the dentures, making sure they fit properly and comfortably.

St. Francis Reflections is always available to assist with any questions or concerns 24/7
